

WOMEN'S FEDERATION
FOR WORLD PEACE INTERNATIONAL

WFWPI EDUCATIONAL COURSE SCHEDULE

WELCOME TO THE WOMEN'S FEDERATION FOR WORLD PEACE INTERNATIONAL EDUCATIONAL ONLINE COURSES.

As an international NGO, we provide accessible education to people in need. We believe education is a very important factor in engaging and beneficial for people everywhere, and we currently offer five versatile programs across a wide range of fields.

Designed courses are to enhance your capabilities within any organization. On completion of the courses, you are expected to have achieved the following four objectives:

- Understand and be able to apply fundamental concepts of Finance, Digital Art, NFT Production, SNS Marketing, and Healing Therapy.
- Be able to integrate knowledge and concepts across functional areas to diagnose and solve personal and organizational problems.
- Understand the unique challenges of operating in an NGO business environment.
- Understand and be able to apply appropriate leadership behaviors and skills for enhancing personal and organizational effectiveness.

Admission is normally made on a first-come, first-served basis.

Entry requirements are specified in the course descriptions.

Successful applicants will be notified of the result as soon as possible after the closing date for application.

Applicants are normally required to have reached the age of 18.

We invite you to REGISTER early as places will be limited. The application will be closed on **3 June 2022.**

We will send you the confirmation email once your application is successful.

- WFWPI reserves the right to cancel a course or a program in cases of insufficient enrolment or unforeseen difficulties arising from running the course. In such circumstances, the notification email will be sent.

The application will be closed on **3 June 2022 KST.**

Enjoy the two courses on financial planning and budgeting.

The first course aims to provide a basic framework for individuals to better understand their current financial situation, identify key areas to improve their financial health, clarify short-term and long-term life goals and develop basic financial strategies to achieve those goals.

The second course provides a step-by-step guide for leaders to prepare an organizational budget to spin the wheels and achieve their aspiration goals. It also introduces project budgeting for managers to run a successful fundraising campaign.

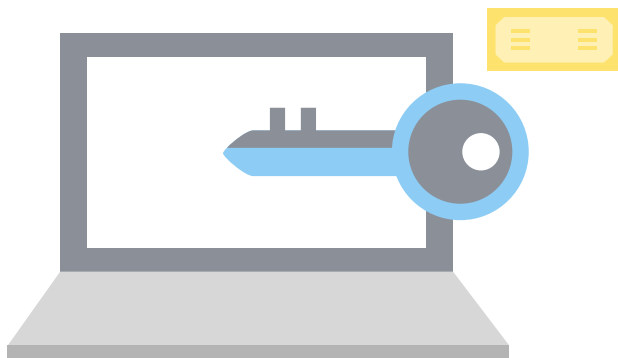

Dr. Jennifer Huang, Australia

Dr. Jennifer Huang is a finance lecturer and regularly speaks on financial literacy for Generation Z, hosting seminars and workshops from schools to non-profit organizations. Jennifer has made it her mission to empower others financially through education. A former corporate executive in Kaplan Financial and the Walt Disney Company China, Jennifer has managed and delivered financial training programs including treasury management, financial planning, and credit analysis to thousands of financial professionals and advisors. She realized that many people were seeking financial help but lacked the minimum knowledge to have a meaningful start. Since 2017, she dedicated herself to helping young students and women to build a financial foundation by offering practical financial courses focused on topics like investment management and personal wealth management.

Dr. Huang holds a doctorate degree in banking and finance from RMIT University Australia. She is an Associate Financial Planner and Certified Treasury Professional. Dr. Huang has served as a board member of the Financial Planning Standards Board Ltd. and is a member of the Financial Planning Association Australia. Dr. Huang is a member of the Victoria Advisory Committee of WFWP Australia.

NFTs are digital tokens based on a blockchain platform that are revolutionizing the art market. They enable that various digital assets like digital art, videos, music, 3D models or other virtual collectibles cannot be replaced or copied.

This course is designed for complete beginners who want to learn the concept and purpose of NFTs, learn from examples of using NFTs for social good, and gain practical hands-on experience in creating various digital artworks with the help of code.

Mrs. Elina Razena, Latvia

Mrs. Elina Razena is a social entrepreneur and modern education enthusiast. She is the founder and CEO of Learn IT, the first nationwide programming school in Latvia, that encourages students and teachers to become creators of their digital world and use technology as a tool of modern creativity. Since its foundation, more than 1500 children and 500 Computer Science teachers have attended Learn IT's courses, created digital solutions for their daily issues, and participated in various events, hackathons and competitions.

Besides that, Mrs. Razena advocates the importance of creativity, coding, and digital literacy for the wider public by volunteering as a European Union Code Week Ambassador of Latvia, sharing her experience as a TEDxRiga 2018 speaker, and speaking at various events.

Mrs. Razena has been acknowledged as one of the most influential, creative, and outstanding women in Latvia in the field of technology in Pastaiga Magazine's top "Woman of The Year 2021", as well as one of the brightest and most promising game-changers under the age of 30, in the field of education and science by Forbes Latvia 30 Under 30. Her ideas and social impact have been recognized by Reach for Change, the Embassy of Sweden, One Young World, and other organizations.
